We were blessed to know your mom, Brenda. I enjoyed the dinners we had together with the Small Group girls and the swim parties when she would come along and get tickled at our silliness. She endured her illness with dignity and maintained the same sweet, gentle presence that I always knew her to have. I pray that your good memories sustain you all during this difficult time and that you are comforted to know that she is in heaven in the presence of her God listening to a multitude of angels singing a chorus of praise! Love, Kathy and Glenn

Brenda and Jerry, you truly are the epitome of what family is all about and have set a great example for your own children. I'm sure Virginia was very proud of you both. I wish we had known her more, but I'm sure that many of your wonderful qualities, Brenda, come from her. As you grieve and learn to accept that she is no longer on this earth, I pray that God will lift you up and fill you with His peace. Love, Carol and Ken
