We will miss her if we can do any thing let us know

Barton Family, I am sorry for you loss but Wilma has went home to see her eternal father and she has not left us as we still share her spirit. I have so many fond memories of Wilma and Grady as I was growing up and absolutely loved playing cards, shooting fireworks and everything else that was shared between our families. I am deeply saddened that I did not get to spend time with all of you as we have just recently reconnected. The Barton family will be in my and my families thoughts and prayers as we go through this difficult time of loss.

We are so sorry to hear about Wilma, We never saw her much but she was so nice and I especially liked her very much I saw and talked to her more than tommy did. I surely will miss her being there. Every time i drove by i wondered how she was doing.and always asked when I saw the boys. If there is anything we can help with let us know. we will do the most important thing we can do and that is pray for you as a family who will miss her so much everyday. our prayers are with you all.

Wilma was an exceptional woman, loved by all who knew her and liked by even more people. She was like a mother to me and she will be dearly missed. I will always remember the good times shared with her and her family, and I know that she is now an angel of God who is looking after us all. She may be resting peacefully now, but she will never be forgotten and the love for her will always live on.

Wilma is at rest in God's loving hands, and awaits all her loved to join her.
