Grandma Blevins will always hold such a special place in my heart. She (and Grandpa) always loved and treated me as one of their own. You all mean the world to me and know my prayers and thoughts are with you at this time. She is at peace now with Grandpa. I will always hold such loving memories of her and the family times we shared. Love to everyone-Dino

Darlene and Bonnie, Norva told me your mom had passed away. You were fortunate to have her so many years. But, losing your mom is always hard. My prayers are with you and your family. Laura
